

In the memory of

Sri B. RAGHURAMAIAH

Veteran Food Technologist and Food Industry Leader

Shri Raghuramaiah, born in Andhra Pradesh, has a distinguished academic career, having earned a B.Sc. in Agricultural Science from Andhra Pradesh Agricultural University and a Master's degree in Food Science and Technology from the International Food Technology Training Centre (CFTRI).

He worked with companies like Metal Box Company India and CFTRI before starting Food Ingredient Specialities Pvt Ltd. in Chennai in 1990. His commitment to honesty, integrity, and quality standards has contributed to the company's growth by creating exceptional food flavours for various food applications.

He has authored research and published articles in Food Technology journals and delivered lectures at industry conferences.

He has been recognized for his contributions to the food processing industry, receiving many awards such as prestigious the Dr. V. Subramanyam Industrial Achievement Award, from AFST and the K U Patel Award from All India Food Processors Association, and, the Fellow of British Society of Flavourists. He was also a Professional Member of the Institute of Food Technologists – USA.

As an ardent supporter of corporate social responsibility, Shri Raghuramaiah generously contributed towards scholarships to deserving students of CFTRI and many other institutes. One of his significant achievements is his efforts to get Synthetic food colours permanently listed in the Food Regulations of India.

He has been supporting PFNDAI by making Food Ingredient Specialities Pvt Ltd. a member and by giving advertisements in the Bulletin since 1998. In his passing away, PFNDAI has lost a valuable member and a strong supporter.
